

# Locate a Career Video

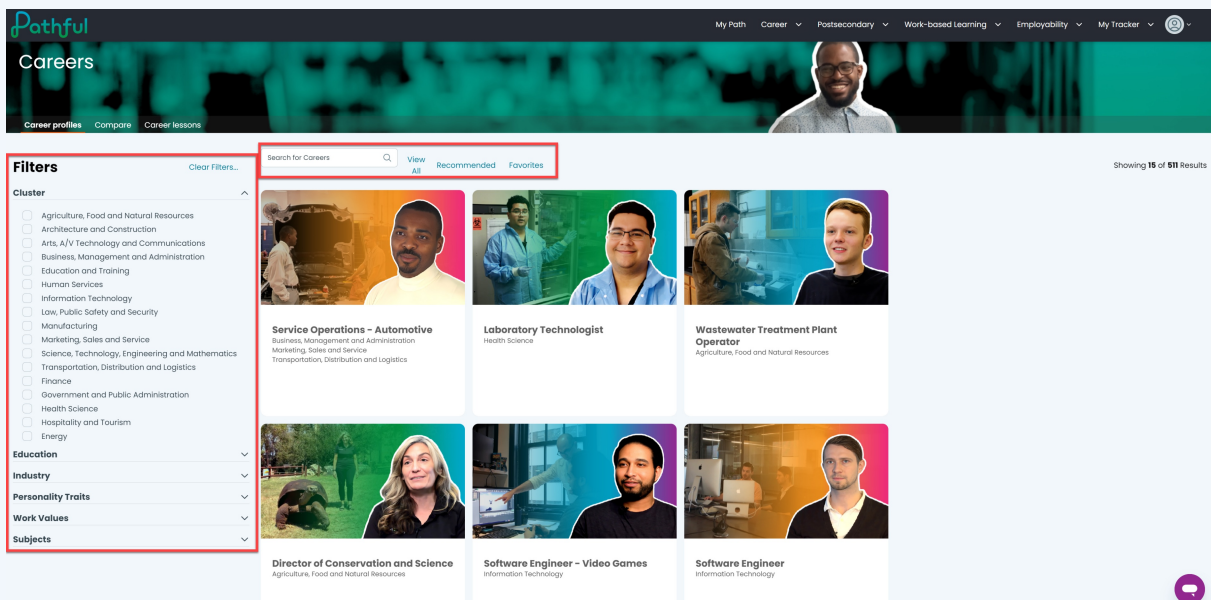

Last Modified on 10/21/2024 10:26 am EDT

1. From the **Career** drop-down menu, select **Career profiles**.

The screenshot shows the Pathful dashboard for a user named Susan. The top navigation bar includes 'My Path', 'Career', 'Postsecondary', 'Work-based Learning', 'Employability', and 'My Tracker'. The 'Career' dropdown menu is open, and 'Career profiles' is highlighted with a red box. Below the navigation bar, there are three main sections: 'Your Assessments', 'Your Goals', and 'Postsecondary Plan', each with a 'Take assessment', 'Write Goals', and 'Create plan' button respectively. On the right side, there is a 'Your student plan checklist' section with a progress indicator and a list of tasks to complete.

2. Type directly into the search box to locate a specific career or apply the filters to locate careers based on **Cluster**, **Education level**, **Industry**, **Interest**, **WIL**, or **Subjects**.

The screenshot shows the Pathful Careers page. The top navigation bar includes 'My Path', 'Career', 'Postsecondary', 'Work-based Learning', 'Employability', and 'My Tracker'. The 'Career' dropdown menu is open, and 'Career profiles' is highlighted. Below the navigation bar, there is a search bar and a grid of career cards. The 'Filters' sidebar on the left is expanded, showing various categories like Cluster, Education, Industry, Personality Traits, Work Values, and Subjects. The search bar contains the text 'Search for Careers' and 'View All Recommended Favorites'. The grid of career cards includes 'Service Operations - Automotive', 'Laboratory Technologist', 'Wastewater Treatment Plant Operator', 'Director of Conservation and Science', 'Software Engineer - Video Games', and 'Software Engineer'. A red box highlights the search bar and the 'Filters' sidebar.

3. Hover over any career card to "flip" the card and read about that career.
4. Click the card to learn more about the career and see video options.
5. You can also favorite a career, add it to your compare chart, or add it to your playlist.
