

# Complete a Career Journal Entry

Last Modified on 06/14/2024 11:13 am EDT

The Career Journal is a place for users to take notes on careers they learn about in Pathful.

Users can record any of the following information in the Career Journal:

- Rate Your Interest in the selected career
- Career Description
- Skills Required
- Education Required
- Salary & Benefits
- Local Regional Demand
- Pros
- Cons
- Other

## Create a journal entry:

1. From the **Career** drop-down menu, select **Career profiles**.
2. Locate and select the desired career.
3. Select the **Career Journal** button in the upper right corner.
