Last Modified on 12/02/2024 10:55 am EST

The **Postsecondary Plan** helps you create an education and career plan. Sections include **Education, Careers, Schools, and Scholarships**. If you select a High School Diploma or Military as your education level, you will have a textbox for writing about your career plans.

The Postsecondary Plan can be changed and updated as needed. The Plan autosaves as you move through it. You are not required to complete the entire Plan in one sitting.
