

Create a Postsecondary Plan

Last Modified on 06/03/2024 12:03 pm EDT

The **Postsecondary Plan** helps users create an education and career plan.

The Postsecondary Plan can be changed and updated as needed. The Plan autosaves as you move through it. You are not required to complete the entire Plan in one sitting.

1. From the **My Tracker** drop-down menu, select **Postsecondary Plan**.
2. Collapse or Expand sections as needed.
3. Under the **Education Plan**, select the level of education or certification you want to achieve.
4. Select your Top 3 Career Choices. (You may select fewer than 3).
5. Select your Top 3 School Choices. (You may select fewer than 3).
6. Select your Top 3 Scholarships. (You may select fewer than 3).
7. Use the favorite button in any section to explore more options.
