

# Complete an Assignment

Last Modified on 10/22/2024 12:56 pm EDT

Assignments can be found on the dashboard when you sign in or by going to My Tracker.

1. From the **My Tracker** drop-down menu, select **Lesson Progress**.

The screenshot shows the Pathful dashboard for a user named Susan. The 'My Tracker' dropdown menu is open, and the 'Lesson progress' option is highlighted with a red box. Other options in the menu include 'My matches', 'Assessment progress', 'Postsecondary plan', 'Credentials', 'Resume builder', and 'Cover letter builder'. The dashboard also features sections for 'Your Assessments', 'Your Goals', and 'Postsecondary Plan', each with a 'Write Goals' or 'Create plan' button.

2. Locate the desired assignment.
3. Select **Start** or **Continue**.

The screenshot shows the 'My tracker' page on Pathful. It displays three assignment cards. The first card, 'STEM Assignment', has a 'Continue' button highlighted with a red box. The second card, 'Testing assignment - Created from lesson - DH-pathful-demo-pathful lesson', has a 'Start' button highlighted with a red box. The third card, 'Communication Assignment', has a 'Start' button. The page also includes a search bar for lessons and a 'Showing 6 of 13 Results' indicator.

4. Once in the Assignment, use the **Save & Next** button to progress through each segment.
5. The **Previous** button allows you to return to a previously completed segment in the

assignment.

6. Select the arrow on the right to open the contents drawer. This allows you to see all of the assignment segments.

The screenshot displays the Pathful interface for the assignment 'The STEM Career Cluster'. At the top, the Pathful logo is on the left, and navigation links for 'My Path', 'Career', 'Postsecondary', 'Work-based Learning', 'Employability', and 'My Tracker' are on the right. Below the navigation, there are 'Previous' and 'Save & Next' buttons. The main content area is divided into two sections: a left-hand drawer and a main content area. The drawer lists eight assignment segments, with the sixth segment, '6. Watch a Playlist', selected. A red arrow points to a play button icon in the drawer, with a callout box that says 'Open or Close the drawer to see the assignment segments.' The main content area shows a video player for 'Mount St. Helens October 2004' and a profile for 'Mechanical Engineer - Aerospace'.

7. When you have completed the assignment, select **Submit assignment**.
