

# Complete an Assignment

Last Modified on 07/29/2024 11:46 am EDT

Assignments can be found on the dashboard when you sign in or by going to My Tracker.

1. From the **My Tracker** drop-down menu, select **Lesson Progress**.
2. Locate the desired assignment.
3. Select **Start** or **Continue**.
4. Once in the Assignment, use the **Save & Next** button to progress through each segment.
5. The **Previous** button allows you to return to a previously completed segment in the assignment.
6. Select the arrow on the right to open the contents drawer. This allows you to see all of the assignment segments.
7. When you have completed the assignment, select **Submit assignment**.
