Last Modified on 10/23/2024 3:49 pm EDT

The Interest Survey is the Career Clusters Interest Survey (CCIS), an interest inventory that matches your interests to career clusters based on activities you most enjoy.

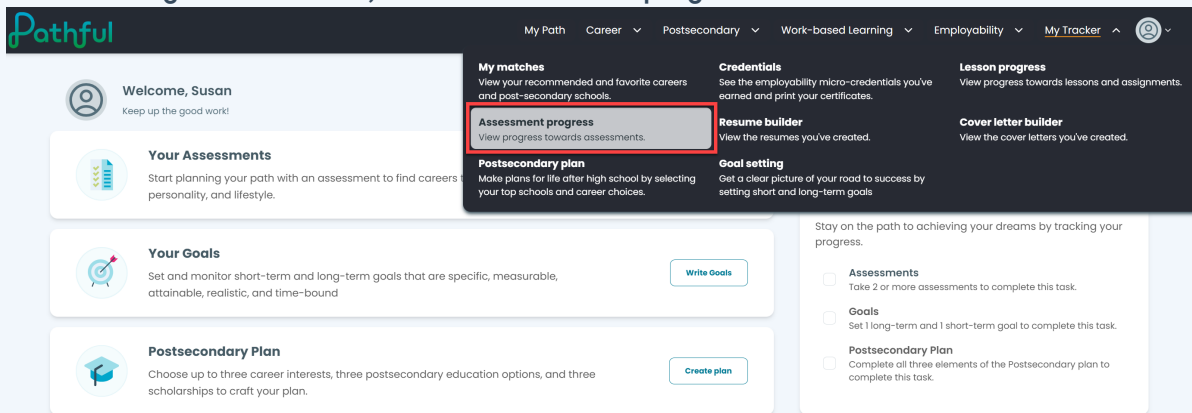

It has 102 statements and takes about 15-30 minutes to complete. This is not a timed survey; you can start and restart it as needed.

There are no right or wrong answers.

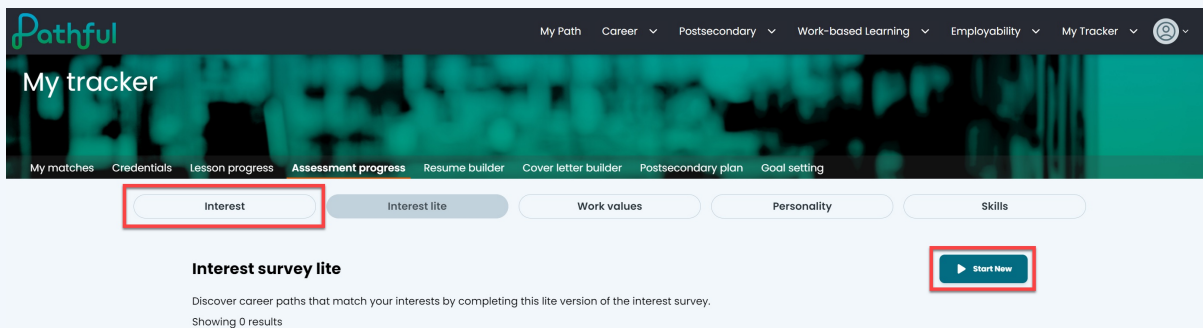

The results guide you to careers that you are likely to enjoy based on the answers you provided.

To complete an Interest Survey:

1. From the My Tracker menu, select Assessment progress.

2. Select the Interest tab.

5. Read the instructions and complete the sample question.
6. Select Save & Exit if you need to leave and return later.
