Withdraw a Session Request

Last Modified on 10/16/2024 1:58 pm EDT

1. From your Dashboard, select **My Sessions**.
2. Select the **Requested** tab.
3. Select the card for the desired session.
4. Select **Withdraw**.
5. Choose the desired action:
    a. **Cancel**
    b. **Withdraw and Save as a Draft** (this allows you to edit as needed and then resubmit the request)
    c. **Delete Session** (this removes the session permanently)

Are you sure you want to withdraw this session?
