

Edit or Remove a District Resource Post

Last Modified on 08/26/2024 1:23 pm EDT

1. From your **Dashboard**, select **Manage** in the **District Resources** section.
2. Use the filter checkboxes to locate the post you want to edit or remove.
3. From the Actions column:
 - a. Select **Edit** to make changes to the post.
 - b. Select the trash can icon to delete the post.
