Last Modified on 10/24/2024 8:43 am EDT

Your Student Plan Checklist helps you identify your strengths and goals and create a plan for meeting your goals.

The checklist has up to three items:

- **Assessments**
- **Goals**
- **Postsecondary Plan**

*NOTE: Depending on your product level, you may not have all three of these items.*

Once you have completed each item, you can download your plan and begin to take your first steps toward achieving your education and career goals.

The screenshot shows the Pathful user interface. At the top, there is a navigation bar with the Pathful logo and several menu items: My Path, Career, Postsecondary, Work-based Learning, Employability, My Tracker, and a user profile icon. Below the navigation bar, a welcome message reads "Welcome, Brooklyn" with the subtext "Keep up the good work!". The main content area is divided into three sections: "Your Assessments" (with a "Take assessment" button), "Your Goals" (with a "Write Goals" button), and "Postsecondary Plan" (with a "Create plan" button). On the right side, a "Your student plan checklist" is displayed, which is highlighted with a red border. This checklist shows a progress bar at "1/3 Completed" and "Start Completing Your Plan!". It lists three items: "Assessments" (checked), "Goals" (unchecked), and "Postsecondary Plan" (unchecked), each with a brief description of the task.
