

Connect to Common App as a Student

Last Modified on 09/13/2024 12:00 pm EDT

1. From the **Postsecondary** menu, select **Common App**.
2. Select **Connect** to connect your Pathful account to Common App.
3. Follow the prompts on the Common App site to either sign in to an existing account or create a new account.
4. Once you have logged in to Common App and completed the connection process in their system, you will be directed back to Pathful.
5. The next thing you must do is Complete the FERPA Waiver.
