

# Common App Setup Process for Students

Last Modified on 09/13/2024 11:58 am EDT

You can link your Common App account to Pathful to have all your college and career data in one convenient place.

To link your Pathful and Common App accounts, follow the steps below. These steps must be completed in the order listed.

1. Connect to Common App.
2. Complete the FERPA waiver via Pathful.
3. Add Colleges to your Common App Dashboard within Pathful.
4. Invite Counselors and Teachers to serve as recommenders.
