Last Modified on 11/04/2024 9:10 am EST

If you have favorited any schools, they will show up on your Common App dashboard. You can follow the link to add those schools to your Common App.

You can also search and add schools directly in Common App. Once you do this, the added schools will display on your Common App dashboard in Pathful.

1. From the **Postsecondary** menu, select **Common App**.

The screenshot shows the Pathful dashboard interface. At the top, there is a navigation bar with the Pathful logo and several menu items: My Path, Career, Postsecondary, Work-based Learning, Employability, and My Tracker. The 'Postsecondary' menu is expanded, showing a list of options: School profiles, Compare, Scholarship search, Postsecondary lessons, and Common App. The 'Common App' option is highlighted with a red box. Below the navigation bar, the dashboard is divided into several sections. On the left, there is a 'Welcome, Eden' section with a profile icon and the text 'Keep up the good work!'. Below this are three main sections: 'Your Assessments' with a 'Take assessment' button, 'Your Goals' with a 'Write Goals' button, and 'Postsecondary Plan' with a 'Create plan' button. On the right, there is a '1/3 Completed' progress bar and a 'Start Completing Your Plan!' section with a list of tasks: 'Assessments' (checked), 'Goals' (unchecked), and 'Postsecondary Plan' (unchecked).

2. Select **Add to Common App** if you have favorited a school. If no schools are listed, go to the **School Profile** tab to search and favorite schools.
